

Consent form for filming / photography

Print Name

Are you over 18? (If under 18 please use the alternative consent form)

I hereby consent to the Marine Biological Association of the United Kingdom (“Marine Biological Association”) using images of myself caught in video recordings, and/or photographs, taken/recorded on [insert date] at [insert location]

I consent to my photographic images/video recordings being used by the Marine Biological Association for marketing and publicity related purposes in their printed and online publicity, on social media, in newspapers and magazines, or in any other ways that further the aims of the Marine Biological Association

I agree to the Marine Biological Association using my photographic image in perpetuity in all media now known and hereafter devised throughout the world.

I understand that:

- my images will be held in accordance with the Data Protection Act and General Data Protection Regulation;
- that the images of myself captured in the video recordings and/or photographs will be the copyright of the Marine Biological Association and any other intellectual property which arises in the recordings will also belong to the Marine Biological Association;
- I can ask the Marine Biological Association to stop using and to delete my images at any time, in which case they will not be used in future publications but may continue to appear in publications already in circulation.

If the recording is going to capture me speaking (e.g. lecturing or presenting information), I also agree that I will only include any material in the recording which is the intellectual property (including copyright) of another party, if I have their permission or a licence to do so and irrevocably licence the Marine Biological Association to use and sub-licence any copyright in the words spoken (once fixed by the recording).

Signed
