

Consent form for filming / photography

Dear Parent, Guardian, Carer, Teacher,

Your child/ children in your care is/are attending an event organised by the Marine Biological Association of the United Kingdom ("Marine Biological Association").

We may take photographs/ make a video/ audio recordings of participants during the activity to promote the Marine Biological Association's charitable interests. We will not include personal details of any child or adult in a photo or video without additional prior consent. However, we may use group images with very general labels such as the school/ class name and event details.

To comply with the General Data Protection Regulation 2018 we need your permission before we take and use any images of participants named below. We would therefore be very grateful if you could complete the required information and return it to us.

Participant details (please add additional names overleaf):

NameDOB

NameDOB

Event date.....Location.....

Your details:

Name Relationship to child.....

I consent to my photographic images/video recordings being used by the Marine Biological Association for marketing and publicity related purposes in their printed and online publicity, on social media, in newspapers and magazines, or in any other ways that further the aims of the Marine Biological Association.

I agree to the Marine Biological Association using my photographic image in perpetuity in all media now known and hereafter devised throughout the world. I understand that:

- my images will be held in accordance with the Data Protection Act and General Data Protection Regulation;
- that the images of my child/ children in my care captured in the video recordings and/or photographs will be the copyright of the Marine Biological Association and any other intellectual property which arises in the recordings will also belong to the Marine Biological Association;
- I can ask the Marine Biological Association UK to stop using and to delete my images at any time, in which case they will not be used in future publications but may continue to appear in publications already in circulation.

Signed
