

PLYMOUTH MARINE SCIENCE and EDUCATION FOUNDATION

Guidelines for Application for a Grant-in-Aid

Plymouth Marine Science and Education Foundation (PlyMSEF) provides travel grants to enable research students to attend academic conferences and symposia or to attend advanced training courses or workshops in marine disciplines. For 2019 up to eight awards, to the value of £400 will be available in a competition process for applicants who meet the criteria as follows:

- i) Applicants must be registered PhD students or postgraduate scientists within 4 years of graduation employed in marine-related research projects at one of the following institutions
 - DDRC Healthcare
 - Marine Biological Association of the United Kingdom
 - National Marine Aquarium
 - Plymouth Marine Laboratory
 - Plymouth University Marine Institute
- ii) Applications must be supported in writing by the applicant's supervisor;
- iii) The conference, symposia *etc* for which the grant is requested must take place after Monday 5 February 2019.

Successful applicants must produce short reports within two weeks of the events and be prepared to give an oral presentation at the annual student conference

Application Process: Applications must be made on the "Grant-in-Aid Application Form" and sent to Ros Gardner rgar@pml.ac.uk

The closing date for applications is 25 January 2019
