

Record number	Marine or Terrestrial	Collection	Box	Genus	Species	Collector	Identifier	Date	Location (specific)	Notes by Bob Hodgson (2013)
L3.5	T			<i>Acarospora</i>	<i>fuscata</i>					
L3.5.1	T	Henssen Collection (Terrestrial)	4	<i>Acarospora</i>	<i>fuscata</i>	A. Henssen	A. Henssen	26.8.1964	Wigford Down, Dartmoor	The brown lichen is <i>Acarospora fuscata</i> but there is also a large patch of a grey lichen which is <i>Hypoovymnia physodes</i> .
L11.2	M			<i>Anaptychia</i>	<i>fusca</i>					Now <i>Anaptychia runcinata</i>
L11.2.1	M	Henssen Collection (Marine)	3	<i>Anaptychia</i>	<i>fusca</i>	A. Henssen	A. Henssen	24.8.1964	Wembury	Now <i>Anaptychia runcinata</i>
L11.2.2	M	Alvin Collection (Marine)	1	<i>Anaptychia</i>	<i>fusca</i>	K. Alvin	K. Alvin	6.5.1977	Queener Point, Rame, Cornwall	Now <i>Anaptychia runcinata</i>
L15.11	M			<i>Arthopyrenia</i>	<i>halodytes</i>					Now <i>Collempsidium foveolatum</i>
L15.11.1	M	Alvin Collection (Marine)	1	<i>Arthopyrenia</i>	<i>halodytes</i>	K. Alvin	K. Alvin	4.5.1977	Reny Rocks, Plymouth Sound	Now <i>Collempsidium foveolatum</i>
L15.0.1	M	Henssen Collection (Marine)	3	<i>Arthopyrenia</i>	<i>sp.</i>	A. Henssen	A. Henssen	22.8.1964	Salcombe	It is not certain these barnacles have lichen on them, but <i>Collempsidium</i> (formerly <i>Arthopyrenia</i>) commonly occurs on barnacles and limpets.
L33.11	T			<i>Bryoria</i>	<i>subcana</i>					
L33.11.1	T	Henssen Collection (Terrestrial)	4	<i>Bryoria</i>	<i>subcana</i>	A. Henssen	A. Henssen	26.8.1964	Wistmans Wood, Dartmoor	<i>Bryoria subcana</i> is extinct in Devon; this is likely to be <i>Bryoria fuscescens</i> .
L34.13	M			<i>Buellia</i>	<i>punctata</i>					Now <i>Amandinea punctata</i>
L34.13.1	M	Alvin Collection (Marine)	1	<i>Buellia</i>	<i>punctata</i>	K. Alvin	K. Alvin	April 1979	Queener Point, Rame, Cornwall	Now <i>Amandinea punctata</i> , but this species is not found on maritime rocks; this specimen is therefore probably <i>Amandinea lecideina</i> , a closely related species (which was formerly known as <i>Rinodina lecideina</i>).
L34.17	M			<i>Buellia</i>	<i>subdisciformis</i>					
L34.17.1	M	Alvin Collection (Marine)	1	<i>Buellia</i>	<i>subdisciformis</i>	K. Alvin	K. Alvin	3.5.1977	Queener Point, Rame, Cornwall	
L37.35	M			<i>Caloplaca</i>	<i>marina</i>					
L37.35.1	M	Henssen Collection (Marine)	3	<i>Caloplaca</i>	<i>marina</i>	A. Henssen	A. Henssen	24.8.1964	Wembury	
L37.35.2	M	Alvin Collection (Marine)	1	<i>Caloplaca</i>	<i>marina</i>	K. Alvin	K. Alvin	6.5.1977	Queener Point, Rame, Cornwall	This box also contains a small patch of <i>Lecanora actophila</i> .
L37.50	M			<i>Caloplaca</i>	<i>thallincola</i>					
L37.50.1	M	Alvin Collection (Marine)	1	<i>Caloplaca</i>	<i>thallincola</i>	K. Alvin	K. Alvin	April 1979	Wilderness Point, River Tamar	
L39.3	T			<i>Candelariella</i>	<i>coralliza</i>					
L39.3.1	T	Henssen Collection (Terrestrial)	4	<i>Candelariella</i>	<i>coralliza</i>	A. Henssen	A. Henssen	26.8.1964	Wigford Down, Dartmoor	
L53.4	T			<i>Cladonia</i>	<i>arbuscula</i>					
L53.4.1	T	Henssen Collection (Terrestrial)	5	<i>Cladonia</i>	<i>arbuscula</i>	A. Henssen	A. Henssen	26.8.1964	Wigford Down, Dartmoor	
L53.4.2	T	Henssen Collection (Terrestrial)	5	<i>Cladonia</i>	<i>arbuscula</i>	A. Henssen	A. Henssen	26.8.1964	Wistmans Wood, Dartmoor	
L53.15	T			<i>Cladonia</i>	<i>coccifera</i>					<i>Cladonia coccifera</i> has been divided into several species.
L53.15.3	T	Henssen Collection (Terrestrial)	5	<i>Cladonia</i>	<i>coccifera</i>	A. Henssen	K. Alvin	26.8.1964	Wigford Down, Dartmoor	<i>Cladonia coccifera</i> has been divided into several species and this is probably a specimen of <i>Cladonia diversa</i> .
L53.32	T			<i>Cladonia</i>	<i>gracilis</i>					
L53.32.1	T	Henssen Collection (Terrestrial)	5	<i>Cladonia</i>	<i>gracilis</i>	A. Henssen	A. Henssen	26.8.1964	Wistmans Wood, Dartmoor	
L53.46	T			<i>Cladonia</i>	<i>pleurota</i>					
L53.46.1	T	Henssen Collection (Terrestrial)	5	<i>Cladonia</i>	<i>pleurota</i>	A. Henssen	A. Henssen	26.8.1964	Wigford Down, Dartmoor	This is not <i>Cladonia pleurota</i> which, in Britain, is only found by late snow patches in the Cairngorms; this is probably a specimen of <i>Cladonia uncialis</i> .
L53.49	T			<i>Cladonia</i>	<i>portentosa</i>					
L53.49.1	T	Henssen Collection (Terrestrial)	5	<i>Cladonia</i>	<i>portentosa</i>	A. Henssen	A. Henssen	26.8.1964	Wigford Down, Dartmoor	
L53.49.2	T	Henssen Collection (Terrestrial)	5	<i>Cladonia</i>	<i>portentosa</i>	A. Henssen	A. Henssen	26.8.1964	Wistmans Wood, Dartmoor	
L53.56	T			<i>Cladonia</i>	<i>squamosa</i>					
L53.56.1	T	Henssen Collection (Terrestrial)	5	<i>Cladonia</i>	<i>squamosa</i>	A. Henssen	K. Alvin	26.8.1964	Burrator Wood, Dartmoor	
L53.56.2	T	Henssen Collection (Terrestrial)	5	<i>Cladonia</i>	<i>squamosa</i>	A. Henssen	K. Alvin	26.8.1964	Wigford Down, Dartmoor	
L53.65	T			<i>Cladonia</i>	<i>uncialis</i>					
L53.65.1	T	Henssen Collection (Terrestrial)	5	<i>Cladonia</i>	<i>uncialis</i>	A. Henssen	K. Alvin	26.8.1964	Wistmans Wood, Dartmoor	
L53.65.2	T	Henssen Collection (Terrestrial)	5	<i>Cladonia</i>	<i>uncialis</i>	A. Henssen	K. Alvin	26.8.1964	Wigford Down, Dartmoor	
L57.1	T			<i>Coelocaulon</i>	<i>aculeatum</i>					Now <i>Cetraria aculeata</i>
L57.1.1	T	Henssen Collection (Terrestrial)	4	<i>Coelocaulon</i>	<i>aculeatum</i>	A. Henssen	A. Henssen	26.8.1964	Wistmans Wood, Dartmoor	Now <i>Cetraria aculeata</i>
L57.1.2	T	Henssen Collection (Terrestrial)	4	<i>Coelocaulon</i>	<i>aculeatum</i>	A. Henssen	A. Henssen	26.8.1964	Wigford Down, Dartmoor	Now <i>Cetraria aculeata</i>
L65.1	T			<i>Cystocoleus</i>	<i>ebeneus</i>					
L65.1.1	T	Henssen Collection (Terrestrial)	4	<i>Cystocoleus</i>	<i>ebeneus</i>	A. Henssen	A. Henssen	26.8.1964	Burrator Wood, Dartmoor	
L74.1	M			<i>Diploicia</i>	<i>canescens</i>					
L74.1.1	M	Henssen Collection (Marine)	3	<i>Diploicia</i>	<i>canescens</i>	A. Henssen	A. Henssen	23.8.1964	Trevone, Cornwall	
L74.1.2	M	Alvin Collection (Marine)	1	<i>Diploicia</i>	<i>canescens</i>	K. Alvin	K. Alvin	April 1979	Reny Rocks, Plymouth Sound	
L75.1	M			<i>Diploschistes</i>	<i>caesioplumbeus</i>					
L75.1.1	M	Alvin Collection (Marine)	1	<i>Diploschistes</i>	<i>caesioplumbeus</i>	K. Alvin	K. Alvin	April 1979	Queener Point, Rame, Cornwall	
L85.1	T			<i>Evernia</i>	<i>prunastri</i>					
L85.1.1	T	Henssen Collection (Terrestrial)	4	<i>Evernia</i>	<i>prunastri</i>	A. Henssen	A. Henssen	26.8.1964	Wistmans Wood, Dartmoor	

L90.2.1										
L100.1	M			<i>Huilia</i>	<i>albocaeulescens</i>					
L100.1.1	M	Alvin Collection (Marine)	1	<i>Huilia</i>	<i>albocaeulescens</i>	A. Henssen	K. Alvin	26.8.1964	Burrator Wood, Dartmoor	Now <i>Porpidia cineroatra</i> Now <i>Porpidia cineroatra</i> . This is probably in fact a specimen of <i>Porpidia platycarpoides</i> which occurs on maritime rocks and is closely related to <i>Porpidia cineroatra</i> .
L100.1.2	M	Henssen Collection (Terrestrial)	4	<i>Huilia</i>	<i>albocaeulescens</i>	K. Alvin	K. Alvin	April 1980	Queener Point, Rame, Cornwall	Now <i>Porpidia cineroatra</i>
L103.3	T			<i>Hypogymnia</i>	<i>physodes</i>					
L103.3.1	T	Henssen Collection (Terrestrial)	4	<i>Hypogymnia</i>	<i>physodes</i>	A. Henssen	A. Henssen	26.8.1964	Wiaford Down, Dartmoor	This is likely to be <i>Hypogymnia tubulosa</i> .
L107.1	T			<i>Lasallia</i>	<i>pustulata</i>					
L107.1.1	T	Henssen Collection (Terrestrial)	4	<i>Lasallia</i>	<i>pustulata</i>	A. Henssen	A. Henssen	26.8.1964	Wistmans Wood, Dartmoor	
L107.1.2	T	Henssen Collection (Terrestrial)	4	<i>Lasallia</i>	<i>pustulata</i>	A. Henssen	A. Henssen	26.8.1964	Wistmans Wood, Dartmoor	
L112.2	M			<i>Lecanora</i>	<i>actophila</i>					
L112.2.1	M	Alvin Collection (Marine)	1	<i>Lecanora</i>	<i>actophila</i>	K. Alvin	K. Alvin	6.5.1977	Queener Point, Rame, Cornwall	
L112.8	M			<i>Lecanora</i>	<i>atra</i>					Now <i>Tephromela atra</i>
L112.8.1	M	Henssen Collection (Marine)	3	<i>Lecanora</i>	<i>atra</i>	A. Henssen	A. Henssen	23.8.1964	Trevone, Cornwall	Now <i>Tephromela atra</i>
L112.8.2	M	Alvin Collection (Marine)	1	<i>Lecanora</i>	<i>atra</i>	K. Alvin	K. Alvin	3.5.1977	Queener Point, Rame, Cornwall	Now <i>Tephromela atra</i>
L112.11	M			<i>Lecanora</i>	<i>badia</i>					
L112.11.1	M	Henssen Collection (Marine)	3	<i>Lecanora</i>	<i>badia</i>	A. Henssen	A. Henssen	22.8.1964	Bolt Head, Salcombe	
L112.32	M			<i>Lecanora</i>	<i>helicopis</i>					
L112.32.1	M	Alvin Collection (Marine)	1	<i>Lecanora</i>	<i>helicopis</i>	K. Alvin	K. Alvin	4.5.1977	Reny Rocks, Plymouth Sound	
L130.1	M			<i>Lichina</i>	<i>confinis</i>					
L130.1.1	M	Naylor Collection	8	<i>Lichina</i>	<i>confinis</i>	G. Linnaeus Naylor	G. Linnaeus Naylor	20.6.1929	Whitsand Bay (East), Cornwall	
L130.1.2	M	Henssen Collection (Marine)	3	<i>Lichina</i>	<i>confinis</i>	A. Henssen	A. Henssen	22.8.1964	Salcombe	
L130.1.3	M	Alvin Collection (Marine)	2	<i>Lichina</i>	<i>confinis</i>	K. Alvin	K. Alvin	6.5.1977	Queener Point, Rame, Cornwall	
L130.2	M			<i>Lichina</i>	<i>pygmaea</i>					
L130.2.1	M	Naylor Collection	8	<i>Lichina</i>	<i>pygmaea</i>	G. Linnaeus Naylor	G. Linnaeus Naylor	20.6.1929	Whitsand Bay (East), Cornwall	
L130.2.2	M	Henssen Collection (Marine)	3	<i>Lichina</i>	<i>pygmaea</i>	A. Henssen	A. Henssen	22.8.1964	Salcombe	
L130.2.3	M	Alvin Collection (Marine)	2	<i>Lichina</i>	<i>pygmaea</i>	K. Alvin	K. Alvin	6.5.1977	Queener Point, Rame, Cornwall	
L161.1	M			<i>Normandina</i>	<i>pulchella</i>					This is not really a maritime species although it can be found near the coast.
L161.1.1	M	Henssen Collection (Marine)	3	<i>Normandina</i>	<i>pulchella</i>	A. Henssen	A. Henssen	24.8.1964	Wembury	
L162.1	M			<i>Ochrolechia</i>	<i>androgyna</i>					
L162.1.1	T	Henssen Collection (Terrestrial)	6	<i>Ochrolechia</i>	<i>androgyna</i>	A. Henssen	A. Henssen	26.8.1964	Wistmans Wood, Dartmoor	
L162.5	M			<i>Ochrolechia</i>	<i>parella</i>					
L162.5.1	M	Henssen Collection (Marine)	3	<i>Ochrolechia</i>	<i>parella</i>	A. Henssen	A. Henssen	23.8.1964	Trevone, Cornwall	
L162.5.2	M	Alvin Collection (Marine)	2	<i>Ochrolechia</i>	<i>parella</i>	K. Alvin	K. Alvin	6.5.1977	Queener Point, Rame, Cornwall	
L162.7	M			<i>Ochrolechia</i>	<i>tartarea</i>					
L162.7.1	M	Henssen Collection (Marine)	3	<i>Ochrolechia</i>	<i>tartarea</i>	A. Henssen	A. Henssen	22.8.1964	Bolt Head, Salcombe	
L172.6	M			<i>Parmelia</i>	<i>caperata</i>					Now <i>Flavoparmelia caperata</i>
L172.6.1	T	Henssen Collection (Terrestrial)	6	<i>Parmelia</i>	<i>caperata</i>	A. Henssen	A. Henssen	26.8.1964	Wiaford Down, Dartmoor	Now <i>Flavoparmelia caperata</i>
L172.20	M			<i>Parmelia</i>	<i>laevigata</i>					Now <i>Hypotrachyna revolute</i>
L172.20.1	T	Henssen Collection (Terrestrial)	6	<i>Parmelia</i>	<i>laevigata</i>	A. Henssen	K. Alvin	26.8.1964	Wistmans Wood, Dartmoor	Now <i>Hypotrachyna revolute</i>
L172.23	M			<i>Parmelia</i>	<i>mougeotii</i>					Now <i>Xanthoparmelia mougeotii</i>
L172.23.1	T	Henssen Collection (Terrestrial)	6	<i>Parmelia</i>	<i>mougeotii</i>	A. Henssen	A. Henssen	26.8.1964	Wiaford Down, Dartmoor	Now <i>Xanthoparmelia mougeotii</i>
L172.24	M			<i>Parmelia</i>	<i>omphalodes</i>					
L172.24.1	T	Henssen Collection (Terrestrial)	6	<i>Parmelia</i>	<i>omphalodes</i>	A. Henssen	A. Henssen	26.8.1964	Wiaford Down, Dartmoor	
L172.27	M			<i>Parmelia</i>	<i>pulla</i>					Now <i>Xanthoparmelia pulla</i>
L172.27.1	M	Alvin Collection (Marine)	2	<i>Parmelia</i>	<i>pulla</i>	K. Alvin	K. Alvin	3.5.1977	Queener Point, Rame, Cornwall	Now <i>Xanthoparmelia pulla</i>
L177.2	T			<i>Peltigera</i>	<i>canina</i>					
L177.2.1	T	Henssen Collection (Terrestrial)	6	<i>Peltigera</i>	<i>canina</i>	A. Henssen	A. Henssen	26.8.1964	Wistmans Wood, Dartmoor	
L177.12	T			<i>Peltigera</i>	<i>polydactyla</i>					
L177.12.1	T	Henssen Collection (Terrestrial)	6	<i>Peltigera</i>	<i>polydactyla</i>	A. Henssen	A. Henssen	26.8.1964	Wiaford Down, Dartmoor	
L177.14	T			<i>Peltigera</i>	<i>rufescens</i>					
L177.14.1	T	Henssen Collection (Terrestrial)	6	<i>Peltigera</i>	<i>rufescens</i>	A. Henssen	A. Henssen	26.8.1964	Wistmans Wood, Dartmoor	This probably not <i>Peltigera rufescens</i> as that species is found on calcareous dunes and has dark rhizines, whereas this specimen has pale rhizines so it is probably <i>Peltigera humenina</i>
L179.10	M			<i>Pertusaria</i>	<i>corallina</i>					
L179.10.1	T	Henssen Collection (Terrestrial)	6	<i>Pertusaria</i>	<i>corallina</i>	A. Henssen	A. Henssen	26.8.1964	Wiaford Down, Dartmoor	
L179.27	M			<i>Pertusaria</i>	<i>multipunctata</i>					
L179.27.1	T	Henssen Collection (Terrestrial)	6	<i>Pertusaria</i>	<i>multipunctata</i>	A. Henssen	K. Alvin	26.8.1964	Wistmans Wood, Dartmoor	
L179.33	M			<i>Pertusaria</i>	<i>pseudocorallina</i>					
L179.33.1	M	Alvin Collection (Marine)	2	<i>Pertusaria</i>	<i>pseudocorallina</i>	K. Alvin	K. Alvin	4.5.1977	Reny Rocks, Plymouth Sound	

L191.2	M			<i>Physcia</i>	<i>aipolia</i>						
L191.2.1	M	Henssen Collection (Marine)	3	<i>Physcia</i>	<i>aipolia</i>	A. Henssen	A. Henssen	24.8.1964	Wembury		
L193.5	M			<i>Physconia</i>	<i>pulverulacea</i>						Now <i>Physconia distorta</i>
L193.5.1	M	Henssen Collection (Marine)	8	<i>Physconia</i>	<i>pulverulacea</i>	A. Henssen	A. Henssen	24.8.1964	Wembury		Now <i>Physconia distorta</i>
L198.1				<i>Platismatia</i>							
L198.1.1	T	Henssen Collection (Terrestrial)		<i>Platismatia</i>	<i>glauca</i>	A. Henssen	A. Henssen	26.8.1964	Wistmans Wood, Dartmoor		In addition to the <i>Platismatia glauca</i> , there are several small patches of <i>Sphaerophorus globosus</i> .
L210.1	T			<i>Pseudevernia</i>	<i>furfuracea</i>						
L210.1.1	T	Henssen Collection (Terrestrial)		<i>Pseudevernia</i>	<i>furfuracea</i>	A. Henssen	A. Henssen	26.8.1964	Wistmans Wood, Dartmoor		This specimen is numbers L120.1.1
L225.11	M			<i>Ramalina</i>	<i>siliquosa</i>						
L225.11.1	M	Henssen Collection (Marine)	8	<i>Ramalina</i>	<i>siliquosa</i>	A. Henssen	A. Henssen	23.8.1964	Trevone, Cornwall		
L225.11.2	M	Alvin Collection (Marine)	2	<i>Ramalina</i>	<i>siliquosa</i>	K. Alvin	K. Alvin	3.5.1977	Queener Point, Rame, Cornwall		
L225.12	M			<i>Ramalina</i>	<i>subfarinacea</i>						
L225.12.1	M	Alvin Collection (Marine)	2	<i>Ramalina</i>	<i>subfarinacea</i>	K. Alvin	K. Alvin	6.5.1977	Queener Point, Rame, Cornwall		
L230.6	M			<i>Rhizocarpon</i>	<i>constrictum</i>						Now <i>Rhizocarpon richardii</i>
L230.6.1	M	Alvin Collection (Marine)	2	<i>Rhizocarpon</i>	<i>constrictum</i>	K. Alvin	K. Alvin	6.5.1977	Queener Point, Rame, Cornwall		Now <i>Rhizocarpon richardii</i>
L230.13	M			<i>Rhizocarpon</i>	<i>geographicum</i>						
L230.13.1	M	Alvin Collection (Marine)	2	<i>Rhizocarpon</i>	<i>geographicum</i>	K. Alvin	K. Alvin	6.5.1977	Queener Point, Rame, Cornwall		
L233.2	M			<i>Rocella</i>	<i>phycopsis</i>						
L233.2.1	M	Alvin Collection (Marine)	2	<i>Rocella</i>	<i>phycopsis</i>	K. Alvin	K. Alvin	6.5.1977	Queener Point, Rame, Cornwall		
L248.1	T			<i>Sphaerophorus</i>	<i>fragilis</i>						
L248.1.1	T	Henssen Collection (Terrestrial)	7	<i>Sphaerophorus</i>	<i>fragilis</i>	A. Henssen	A. Henssen	26.8.1964	Wistmans Wood, Dartmoor		
L248.2	T			<i>Sphaerophorus</i>	<i>globosus</i>						
L248.2.1	T	Henssen Collection (Terrestrial)	7	<i>Sphaerophorus</i>	<i>globosus</i>	A. Henssen	A. Henssen	26.8.1964	Wistmans Wood, Dartmoor		
L248.2.2	T	Henssen Collection (Terrestrial)		<i>Sphaerophorus</i>	<i>globosus</i>	A. Henssen	A. Henssen	26.8.1964	Wistmans Wood, Dartmoor		
L257.4	T			<i>Stereocaulon</i>	<i>evolutum</i>						
L257.4.1	T	Henssen Collection (Terrestrial)	7	<i>Stereocaulon</i>	<i>evolutum</i>	A. Henssen	K. Alvin	26.8.1964	Burrator Bridge, Dartmoor		
L257.9	T			<i>Stereocaulon</i>	<i>saxatile</i>						
L257.9.1	T	Henssen Collection (Terrestrial)	7	<i>Stereocaulon</i>	<i>saxatile</i>	A. Henssen	A. Henssen	26.8.1964	Wistmans Wood, Dartmoor		<i>Stereocaulon saxatile</i> does not occur in Devon, and in Britain is only found in high mountains in Cumbria and Scotland. This is probably <i>Stereocaulon evolutum</i> .
L284.4				<i>Umbilicaria</i>	<i>deusta</i>						
L284.4.1	T	Henssen Collection (Terrestrial)	7	<i>Umbilicaria</i>	<i>deusta</i>	A. Henssen	K. Alvin	26.8.1964	Burrator Down, Dartmoor		
L284.8	T			<i>Umbilicaria</i>	<i>polyphylla</i>						
L284.8.1	T	Henssen Collection (Terrestrial)	7	<i>Umbilicaria</i>	<i>polyphylla</i>	A. Henssen	A. Henssen	26.8.1964	Wistmans Wood, Dartmoor		
L284.8.2	T	Henssen Collection (Terrestrial)	7	<i>Umbilicaria</i>	<i>polyphylla</i>	A. Henssen	A. Henssen	26.8.1964	Wistmans Wood, Dartmoor		
L284.12	T			<i>Umbilicaria</i>	<i>torrefacta</i>						
L284.12.1	T	Henssen Collection (Terrestrial)	7	<i>Umbilicaria</i>	<i>torrefacta</i>	A. Henssen	A. Henssen	26.8.1964	Wistmans Wood, Dartmoor		
L284.12.2	T	Henssen Collection (Terrestrial)	7	<i>Umbilicaria</i>	<i>torrefacta</i>	A. Henssen	A. Henssen	26.8.1964	Wistmans Wood, Dartmoor		
L285.16	T			<i>Usnea</i>	<i>subfloridana</i>						
L285.16.1	T	Henssen Collection (Terrestrial)	7	<i>Usnea</i>	<i>subfloridana</i>	A. Henssen	K. Alvin	26.8.1964	Wistmans Wood, Dartmoor		
L287.32	M			<i>Verrucaria</i>	<i>maura</i>						
L287.32.1	M	Santesson Collection	8	<i>Verrucaria</i>	<i>maura</i>	R. Santesson	R. Santesson	1956			
L287.32.2	M	Alvin Collection (Marine)	2	<i>Verrucaria</i>	<i>maura</i>	K. Alvin	K. Alvin	3.5.1977	Queener Point, Rame, Cornwall		
L287.34	M			<i>Verrucaria</i>	<i>mucosa</i>						
L287.34.1	M	Alvin Collection (Marine)	2	<i>Verrucaria</i>	<i>mucosa</i>	K. Alvin	K. Alvin	4.5.1977	Reyn Rocks, Plymouth Sound		
L239.2	M			<i>Xanthoria</i>	<i>candelaria</i>						
L239.2.1	M	Henssen Collection (Terrestrial)	7	<i>Xanthoria</i>	<i>candelaria</i>	A. Henssen	A. Henssen	26.8.1964	Wistmans Wood, Dartmoor		
L239.5	M			<i>Xanthoria</i>	<i>parietina</i>						
L239.5.1	M	Alvin Collection (Marine)	8	<i>Xanthoria</i>	<i>parietina</i>	K. Alvin	K. Alvin	3.5.1977	Queener Point, Rame, Cornwall		
L239.6	M			<i>Xanthoria</i>	<i>polycarpa</i>						
L239.6.1	M	Henssen Collection (Marine)	8	<i>Xanthoria</i>	<i>polycarpa</i>	A. Henssen	A. Henssen	24.8.1964	Wembury
