17	19/03/04 - 1709	Hilpsford Scar, S Walney Island, Cumbria	Hilpsford Scar, Barren cobbles at South Walney Island. Close up.	JM
18	20/03/04 - 1424	Nethertown, Cumbria	General view of shore, Nethertown. Upper shore cobbles, lower shore with rocks and extensive <i>S. alveolata</i> .	JM
19	20/03/04 - 1434	Nethertown	<i>S. alveolata</i> on rocks around pools.	JM
20	20/03/04 - 1441	Nethertown	<i>S. alveolata</i> on rocks around pools.	JM
21	20/03/04 - 1536	Sellafield, Cumbria	<i>S. alveolata</i> reefs becoming exposed as tide falls	JM
22	20/03/04 - 1536	Sellafield, Cumbria	General view of shore at Sellafield. Lower shore boulders.	JM
23	20/03/04 - 1614	Seascale, Cumbria	Extensive <i>S. alveolata</i> reef visible (golden-brown colour) on boulder shore	JM
24	20/03/04 - 1615	Seascale	<i>S. alveolata</i> hummocks clearly visible (golden-brown colour) on boulder shore	JM
25	20/03/04 - 1615	Seascale	<i>S. alveolata</i> hummocks close up.	JM
27	20/03/04 - 1645	Drigg, Cumbria	Beginning of <i>S. alveolata</i> near top of shore. Achieved complete cover further down	JM
28	20/03/04 - 1731	Tarn Bay, Cumbria	General view of shore, Tarn Bay	JM
29	20/03/04 - 1732	Tarn Bay, Cumbria	Extensive cover of <i>S. alveolata</i> at Tarn Bay	JM
30	20/03/04 - 1732	Tarn Bay, Cumbria	<i>S. alveolata</i> reefs at Tarn Bay	JM
31	20/03/04 - 1753	Annaside Banks, Cumbria	View down shore showing extensive areas of <i>S. alveolata</i> (golden-brown colour)	JM
32	20/03/04 - 1756	Annaside Banks, Cumbria	<i>S. alveolata</i> reefs at Tarn Bay	JM

33	20/03/04 - 1758	Annaside Banks, Cumbria	<i>S. alveolata</i> reefs at Tarn Bay	JM
34	20/03/04 - 1758	Annaside Banks, Cumbria	<i>S. alveolata</i> reefs at Tarn Bay – Close up	JM
35	20/03/04 - 1801	Annaside Banks, Cumbria	<i>S. alveolata</i> reefs at Tarn Bay – Close up. Surveyor (Matt Frost) to show height of <i>S. alveolata</i> growth.	JM
36	21/03/04 - 0736	Heysham, Cumbria	General view of shore, Heysham	JM
37	21/03/04 - 0736	Heysham, Cumbria	Close – up of <i>Fucus</i> . Heysham	JM
38	06/12/03 - 1323	Heysham, Cumbria	Upper Shore Heysham – view South - no <i>S. alveolata</i> found	JM
39	06/12/03 - 1331	Heysham, Cumbria	Heysham – no <i>S. alveolata</i> found	JM
40	06/12/03 - 1349	Heysham, Cumbria	Heysham – no <i>S. alveolata</i> found	JM
41	05/12/03 - 1511	Penmon, Anglesey, N. Wales	Penmon general view of shore – <i>S. alveolata</i> not found	JM
42	05/12/03 - 1513	Penmon, Anglesey, N. Wales	Penmon – <i>S. alveolata</i> not found	JM
43	07/12/03 - 1451	St Bees, Cumbria	Approach to site	JM
44	07/12/03 - 1507	St Bees, Cumbria	<i>S. alveolata</i> on rocks	JM
45	07/12/03 - 1508	St Bees, Cumbria	<i>S. alveolata</i> on rocks	JM
46	07/12/03 - 1509	St Bees, Cumbria	<i>S. alveolata</i> on rocks	JM
47	07/12/03 - 1513	St Bees, Cumbria	<i>S. alveolata</i> in between boulders	JM
48	07/12/03 - 1514	St Bees, Cumbria	<i>S. alveolata</i> in between boulders	JM
49	07/12/03 - 1514	St Bees, Cumbria	<i>S. alveolata</i> in between boulders	JM
50	07/12/03 - 1515	St Bees, Cumbria	<i>S. alveolata</i> on boulders	JM
51	07/12/03 - 1516	St Bees, Cumbria	<i>S. alveolata</i> on boulders	JM
52	07/12/03 - 1517	St Bees, Cumbria	<i>S. alveolata</i> in between boulders	JM
53	07/12/03 - 1518	St Bees, Cumbria	<i>S. alveolata</i> in between boulders	JM
54	07/12/03 - 1543	St Bees, Cumbria	General view of shore at St Bees	JM
